**Wow!
I'm stunned!**

**What a stroke of
luck! Jenn has
lost her marbles,
thank God.**

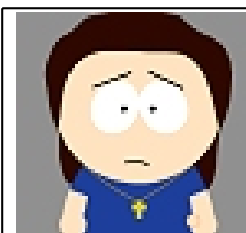

**My next step
has to be to
woo Maggie!**

**Ah, shit!
I'm toast!**

**Allah bless Janelle!
But I don't think
the Nerd Herd will
evict her, regardless
of her wishes.**

**Damn, the only HG
in BB history to
be evicted twice
in three weeks.**

**Yeah!
I did it!**

**Kaysar's not the
only one who can
stir up this house!**

**Serves him right -
letting go of the
button!**

**Yeah for the
FRIENDSHIP!!**
